Professional Experience

Employment

- 2016 - 2018 Co-Founder and COO • The Mawazo Institute • Nairobi, Kenya
- Co-founder of a non-profit which provides research funding and training to women doing postgraduate education in Kenya
 - Secured seed funding for operations from 2016 - 2019
 - Developed a strategic plan for Mawazo by conducting desk research and interviews about the key challenges faced by Kenyan women in academia; identifying potential funders and university partners, as well as gaps in the funding and training ecosystem for female scholars; and developing partnerships with other Kenyan research and training organizations
 - Oversaw the launch of the PhD Scholars fellowship for women at Kenyan universities, including developing and publicizing the application; selecting Scholar participants; and designing the training curriculum
 - Managed the institute's finances by creating annual budgets, implementing software backend for accounting and payroll, and overseeing all expenditures
 - Hired, on-boarded, and managed core program staff
- 2012 - 2013 Research Manager • Innovations for Poverty Action • New Haven, CT
- Research manager for Dr. Dean Karlan (Yale University), whose work assesses the impact of pro-poor financial interventions such as microcredit, agricultural insurance, and business training in low income countries
 - Supervised more than 20 randomized controlled trials (RCTs) in the Dominican Republic, Ethiopia, Ghana, Mexico, and Uganda
 - Supported project staff on issues of research design, questionnaire development, survey software implementation, data collection, statistical analysis, IRB compliance, and financial management

-
- Disseminated research results by creating policy reports for implementing partners and preparing academic papers for publication
 - 2010 Intern • Innovations for Poverty Action • Tamale, Ghana
 - Managed an RCT of an agricultural insurance policy for subsistence farmers for Drs. Dean Karlan and Chris Udry (Yale University)
 - Organized logistics and finances for a team of 40 enumerators carrying out a survey with 1100 respondents
 - Audited enumerator performance and cleaned survey data in Stata
 - 2009 Client Assessment Fellow • FINCA International • Kinshasa, DR Congo
 - Directed the baseline survey for an observational study examining whether Village Banking microloans raised clients' incomes
 - Constructed sample of 800 urban clients
 - Translated questionnaire into French and conducted pilot interviews
 - Hired, trained and managed six surveyors in Kinshasa and Matadi
 - 2008 - 2009 Project Manager • Rwanda Works • Kigali, Rwanda
 - Created a tourism promotion plan for one of Rwanda's poorest districts in collaboration with government officials and local community groups
 - Developed informational signs for local historical sites
 - 2007 - 2008 Intern • WomensTrust Microfinance • Pokuase, Ghana
 - Wrote reports on best practices in microloan product design
 - Led computer literacy classes for secondary school students receiving scholarships through the bank

Consulting

- 2017 Twaweza • Nairobi, Kenya
 - Advised on questionnaire development and research design for an evaluation of a volunteer-led literacy assessment program in Tanzania
- 2014 International Rescue Committee • New York, NY
 - Evaluation design and questionnaire development for a community-driven post-conflict reconstruction program in eastern DR Congo
- 2010 - 2011 The World Bank • Washington, DC
 - Questionnaire development for a behavior change program aimed at reducing violence in schools in Guatemala City
