Education

- 2013 – pres. PhD in Political Science • University of California, Berkeley
- Subfields: comparative politics and African studies
 - Dissertation: “The Politics of Welfare Expansion in Africa”
 - “Outstanding Graduate Student Instructor” for African Politics, Fall 2015
 - Took a leave of absence to found the Mawazo Institute in 2017
- 2010 - 2012 MA in International Relations • Johns Hopkins SAIS • Washington, DC
- Concentrations: international development and international economics
 - Thesis: “Consociationalism and Ethnic Détente in Burundi”
 - Graduated with honors (top 10% of class)
- 2004 - 2008 BA in Geography and French • Dartmouth College • Hanover, NH
- Spring 2007: Univerzita Karlova, Prague
 - Winter 2006: Université de Toulouse II - Le Mirail, Toulouse
 - Graduated *magna cum laude* and Phi Beta Kappa
 - Guido Rahr '51 Award for Excellence in Geography

Professional Experience

- 2020 – pres. Social Protection Consultant • IPA • London, UK (remote work)
- Led project development for new impact evaluations of social protection programs with government and NGO partners in Guyana, Kenya, Malawi, Rwanda, Sudan, and Togo
 - Wrote policy briefs and coordinated webinars on social protection responses to COVID-19
 - Liaised with IPA’s 22 country offices about project development and policy outreach opportunities
 - Led a team within the Diversity & Inclusion Working Group focused on increasing representation of researchers from LMICs at IPA
- 2018 - pres. Chair of the Board • Mawazo Institute • Nairobi, Kenya
- Recruited a diverse 12-person board with expertise in fundraising, financial and legal compliance, and higher education in East Africa
 - Chaired quarterly board meetings
 - Designed fundraising strategy and led outreach to major donors
 - Carried out strategic planning for coronavirus response
- 2017 - 2018 Chief Operating Officer • Mawazo Institute • Nairobi, Kenya
- Co-founder (with Dr. Rose Mutiso) of a non-profit which provides research funding and professional development training to women doing PhDs at East African universities
 - Raised \$1.25 million in seed funding for operations from 2017 - 2020
 - Developed a strategic plan by mapping the ecosystem of universities and non-

profit organizations providing support to PhD students in East Africa, and identifying key gaps which Mawazo was in a position to fill

- Designed Mawazo's flagship PhD Scholars program, including setting policies for eligibility, selecting the value and acceptable uses of research grants, creating procedures for grant disbursement and financial tracking, and writing the curriculum for the year-long professional development program offered to accepted Scholars
- Oversaw program implementation, including application design, selection of the first cohort of 10 Scholars, grant disbursement, and training events
- Hired, on-boarded, and managed core program staff
- Managed the Institute's finances by creating annual budgets, implementing software backend for accounting and payroll, and overseeing all expenditures
- Liaised with external accountants and lawyers in the US and Kenya to ensure compliance with all tax and legal requirements in both countries

2012 - 2013 Research Manager • IPA • New Haven, CT

- Research manager for Dr. Dean Karlan (Yale University), whose work assesses the impact of financial interventions such as microcredit, agricultural insurance, and business training in low income countries
- Supervised more than 20 evaluations in the Dominican Republic, Ethiopia, Ghana, Mexico, and Uganda
- Supported project staff on issues of research design, questionnaire development, survey software implementation, data collection, statistical analysis, IRB compliance, and financial management
- Disseminated research results by creating policy reports for implementing partners and preparing academic papers for publication

2010 Intern • IPA • Tamale, Ghana

- Managed an evaluation of an index rainfall insurance policy for maize farmers
- Organized logistics and finances for a team of 40 surveyors carrying out a survey with 1100 respondents
- Audited surveyor performance and cleaned survey data in Stata

2009 Client Assessment Fellow • FINCA International • Kinshasa, DR Congo

- Directed the baseline survey for an observational study examining whether Village Banking microloans raised clients' incomes
- Constructed sample of 800 urban clients
- Translated questionnaire into French and conducted pilot interviews
- Hired, trained and managed six surveyors in Kinshasa and Matadi

2008 - 2009 Project Manager • Rwanda Works • Kigali, Rwanda

- Created a tourism promotion plan for one of Rwanda's poorest districts in collaboration with government officials and local community groups
- Developed informational signs for local historical sites
